Foreign Data

Over the years, AFIRE has compiled the following statistics to provide members with information on foreign investment in the US real estate market as well as future trends. In order to provide you access to the most current data, we have linked with the Department of Commerce, Bureau of Economic Analysis Web site. If you do not find what you need on our site, please go to theirs at www.bea.gov/bea/di/di1fdibal.htm.
